

Quality Home Day Care Available

I have many years experience providing loving care to hundreds of children in my home. I provide nutritious home cooked meals every day and stimulating indoor and outdoor activity. My home has many toys, games and activities for children of all ages. I can also provide before and after school care.

My home is in the Brant St and Upper Middle Road area of Burlington. Please call me at 905-635-9457 to arrange a meeting with you and your child.

References available and a non smoking home.

I cared for Gail McCracken's (HDSA member) son Alexander for over a year and am currently caring for another child who, along with her parents, belong to the HDSA. These two HDSA members have had their children attend my daycare and were extremely happy with the quality of care provided.

Thank you Rosina Aronne
